## FROM THE POOL ROOM

The end of the season is fast approaching. Covid-19 disrupted many of our club's normal activities. Club membership was only about one-quarter of its usual number. There was no year end banquet, and no Charity, Inter-Park, or Senior Games Pool Shooting tournaments.

Even so, the Billiard Room was in use every day and we had members play in all of our normal in-house activities like our Women's, Men's, Mixed Doubles, and Mixed Friday Morning weekly tournaments, and our handicapped tournaments.

We couldn't even form a quorum for a regular Club Board meeting until March 9, when enough officers happened to be in the Billiard Room. At hastily arranged meeting that day, Board positions were assigned as follows:

- President – Gerry McNab,
- Vice President – John Bowman,
- Treasurer – Terry Moser,
- Secretary – Sandra Lansfield.

Things are looking up now. Infection rates are falling. Vaccines are available, and being administered. The Governor has removed capacity number restrictions. I fully expect that next season will be back to normal.

Country Roads has the best pool room in Yuma. It features ten Diamond Pro eight-ball tables, one Brunswick snooker table, and a rare Soren Sogaard 3-cushion billiard table. There are usually about 100 women and men in our Billiards Club. Our members play at all skill levels, from beginners to the highly accomplished.

(continued...)

Our club members clean and maintain the tables, offer cue repair services, and keep a stock of items that our members may purchase. We also run the in-house events listed above, host the Senior Games pool playing events, and participate in tournaments with teams from other parks. We also have an annual charity tournament to raise donations for whichever charity Country Roads has chosen to support for the season.

Our club membership fee is only \$10.00 per year. We encourage everyone to join the club next season, and participate in one of the world's safest sports.

Gerry McNab, Unit 594  
Billiards Club President

Our rock shop is open following current guidelines, and accepting new members. Open until late April this year, there is still time to come make something beautiful! We are open 9 am to 4 pm Tuesday through Thursday, with 1 hour go home/eat/nap lunch at noon. All the regulars have had both shots, and we had a zero covid illness rate while open all winter. Rock slabs equipment all available. So come on down! Next club meeting is Wednesday January 14 at 4 pm in the shop. Please come to the Lapidary Shop any open hours for more information. If you have questions please do not hesitate to contact President Ray Brant at Lot 174 (541 409-2166)

## Weed Control

With the beautiful sunshine arriving and the recent rains, weeds and grass are starting to appear on lots. Information has been updated about how you may take care of your weeds and grass for one year. The information sheet can be obtained from the table outside of the office. Besides the information available, if you have a "home remedy" for killing weeds, please use---but it will only kill the green weeds and NOT those which have not germinated. This was a serious problem last Spring and we need to avoid it this year. Thank you for doing your part to keep our resort looking excellent.

How's the diet going?

Not good.  
I had eggs  
for breakfast.

## ELECTION RESULTS FOR 2021 ELECTION

There were four candidates running on the ballot for the two open positions on the board of directors.

### THE VOTE COUNT IS AS FOLLOWS

**609 Ballots cast, each ballot may vote for two candidates**

<b>Duane Anderson</b>	<b>335</b>
<b>Al de Hass</b>	<b>234</b>
<b>Jack Eaves</b>	<b>197</b>
<b>Ken Garcia</b>	<b>413</b>

### THE TWO CANDIDATES ELECTED ARE:

**Duane Anderson and Ken Garcia**

**There was one Write in candidate:**

**Karl Rye receiving 3 votes**

The election committee wants to thank our homeowners for their voting this year. We are especially pleased with the number of ballots, 609 which was average, with so many of our homeowners not able to be at Country Roads.

(continued...)

It shows people care and are interested in what is happening in our park and supportive of our Board of Directors.

More of you voted electronically, 222 electronic votes. That is 100 more than last year. Several of you voted electronically because of the slow mail delivery and found that it is amazingly easy to do. Also, it is the most secure way for you to vote. Maybe next year more of you will take advantage of the electronic voting.

It takes several people to make this election happen, I want to thank all of you for your time and service.

Deloros Shemwell, Election Chairman, 928-314-4920

**I'm at a point in my life now where errands count as "going out".**

**You drop something when you were younger, you just pick it up.**

**When you're older and you drop something, you stare at it for a bit contemplating if you actually need it anymore.**

Old age is golden I've often heard it said,  
but sometimes I wonder as I crawl in my bed.  
With my ears in my drawer, my teeth in a cup  
and my eyes on a shelf until I wake up.  
When sleep dims my eyes I think to myself,  
is there anything else I should put on that shelf?  
The reason I know my youth has been spent,  
is my-get-up-and-go has got-up-and-went!  
But, I really don't mind as I think with a grin,  
of all the fun places my get-up has been!
